

MUHAMMAD DANIYAL

Full-Stack Developer | React & Next.js Specialist | TypeScript | Cloud & Database Migration Expert

92-3229505771 • daniyalimtiyaz041@gmail.com • <https://www.linkedin.com/in/muhammad-daniyal-imtiyaz-2b3180283/>

• <https://developer-portfolio-ezzd-git-main-mdos1s-projects.vercel.app/> • Rawalpindi

Summary

Results-driven and versatile Full-Stack Developer with 2.5+ years of experience in building and scaling modern, high-performance web applications. Specializes in the React/Next.js ecosystem, TypeScript, and cloud database solutions like Supabase. Proven track record of leading successful project migrations, ensuring strict regulatory compliance (GDPR), and delivering user-centric features that reduce costs by 60% and improve mobile responsiveness. Adept at remote collaboration in international, cross-functional Agile teams.
